

Microsemi DPG (Power Discretes & Modules Business Unit)

January 2017

Subject: ECN#17-018: Product Termination Notification (Thyristor modules)

Your company has Critical Process Change Notification requirements on products that you buy from MICROSEMI directly or through MICROSEMI distribution channel.

This letter has been issued to inform you about product termination.

Description: Microsemi is announcing the discontinuance of select products that are currently being offered by Microsemi Discrete Product Group (DPG) (Power Discretes & Modules Business Unit). The products affected by this PDN are being discontinued and will no longer be available from Microsemi. These parts will be removed from our next price book and from our upcoming catalog. Associated data sheets shall be removed from the website in a very short time as well.

Reason for Discontinuance: The reason for the obsolescence of these products is due to Discontinuance notification from Microsemi Shanghai Business Unit.

Replacement Parts: There are no Microsemi direct or close replacement parts for these devices.

Last Order Date: February 24, 2017

Last Shipment Date: June 30, 2017

Orders already placed with delivery dates beyond June 30, 2017 will be pulled to be shipped by June 30, 2017.

Products Affected by this Discontinuance: All Thyristor modules listed in Appendix A (standard items from catalog): 46 P/Ns.

Contact Information: Please contact your Local Sales Representative or myself if you have any questions or require any additional information.

Sincerely,

Philippe BLANCHARD

Product Line Manager,
Power Discretes & Modules Business Unit,
Discrete Products Group,
email: phblanchard@microsemi.com

Any projected dates in this notification are based on the most current product information at the time this PDN is being issued, but they may change due to unforeseen circumstances. For the latest schedule and any other information, please contact your local Microsemi Sales Office, the factory contact shown above, or your local distributor.

This PDN is confidential and proprietary information of Microsemi and is intended only for distribution by Microsemi to its customers, for customers' use only. It must not be copied or provided to any third party without Microsemi's prior written consent.
