**Introduction of Nexperia New Outer Box Label**

**Information Notification**

Introduction of Nexperia new outer box label  
 - To achieve quality and operation efficiency improvement

**Why do we issue this Information Notification**

Nexperia will change Nexperia outer box label to achieve:  
 - Compliancy to ECIA (Electronics Component Industry Association) label standardization  
 - Quality and operation efficiency improvement  
 - Environmentally friendly reduce material use and waste

**Identification of Affected Products**

Packing labels  
 Details and identification of current and new label can be found in the attached slides

**Impact**

No impact on other product labeling only the outer box label will be changed

**Data Sheet Revision**

No impact to existing datasheet

**Disposition of Old Products**

Not applicable change of outer box label only

**Remarks**

Effective date 17th August 2020

## Contact and Support

For all inquiries regarding the ePCN tool application or access issues, please [contact Nexperia "Global Quality Support Team"](#).

For all Quality Notification content inquiries, please contact your local Nexperia Sales Support team.

At Nexperia B.V. we are constantly striving to improve our product and processes to ensure they reach the highest possible Quality Standards.

## About Nexperia B.V.

We at Nexperia are the efficiency semiconductor company. We deliver over 90 billion products a year and as such service thousands of global customers, both directly and through our extensive network of channel partners. We are at the heart of billions of electronic devices in the Automotive, Mobile, Industrial, Consumer, Computing, and Communication Infrastructure segments.
