

While GE Critical Power continues to hold to its position that its PCN obligations are solely to those customers who purchase product directly from GE Critical Power, GE Critical Power commits to working with its direct customers to improve the process of notifying end customers. To support this commitment, GE Critical Power customers and their suppliers should provide PCN contact information and any updates to that information to GE Critical Power by sending an email to the following email alias: [pcn-product-change-notice@ge.com](mailto:pcn-product-change-notice@ge.com). The actual product change notice is as follows...

PRODUCT CHANGE NOTIFICATION

Notification No: cn009448 Date: 3-20-2015

Change Information

\*\*\*\*\*

For Notification Only

Product Change Class: D

Description of Change:

In order to make the supply chain more flexible and robust, GE is adding the GE Shanghai factory as an approved manufacturing location for the products listed in this notice. The manufacturing location identifier for the GE Shanghai factory is CS which is displayed in the serial number. Future orders could be supplied from either the GE Shanghai factory or the currently existing manufacturing location.

Estimated Implementation Date: 2015-06-19
